

Workforce Development Evaluator/Analyst

The New Growth Group, LLC (New Growth) is a consulting firm focused on workforce and economic development. Our mission is to support communities in achieving success through career advancement opportunities and a strong local workforce. We provide services to clients across the country, including:

- Labor Market Analyses
- Program Evaluations
- Strategic Planning
- Grant Writing
- Grant Management and Compliance

We're looking for a data-driven and analytical individual to join our team as a **Workforce Development Evaluator/Analyst**. In this role, you'll be responsible for managing data-driven projects for our clients, including:

- Collecting and analyzing both qualitative and quantitative data
- Working with our Director of Data & Analytics and clients to identify research needs and design appropriate methods to meet those needs
- Managing projects and clients, including project planning, communication with clients, and meeting project deliverables on time

We're looking for someone with:

- A Master's degree, or a Bachelor's degree with two years of relevant experience
- Two years of relevant experience
- A background in urban affairs or economics, or a degree in mathematics or statistics with a strong interest in workforce development
- Familiarity with public data sources such as the US Census Bureau and Bureau of Labor Statistics
- Experience with cleaning and analyzing data and survey analysis
- Strong attention to detail, time management, and problem-solving skills
- Experience with statistical programming, database programming, and data visualization is a plus

Salary

\$55,000-\$60,000 based on experience.

Benefits package includes:

- Health insurance (including vision and dental)
- Flexible time off (up to 15 days per year, plus paid holidays)
- 401K + 3% match
- Opportunities for bonuses

Location

New Growth's office is located in the AsiaTown neighborhood of Cleveland, Ohio, but work will be remote, with a hybrid/in-person option available if needed.
